## Report of Principal and School Improvement Council

The motto of Palmetto Middle School is 'EXCELLENCE At Its BEST!' 'NO Excuses!' We believe that working in partnership with students, families, and the community is paramount as we strive for excellence by developing confident, life-long learners.

Palmetto Middle School believes in establishing high expectations for all of its students and their families. In order to continually improve, we must challenge our students, ourselves, and our parents and community members to make greater strides in education. To achieve these goals for all students, the Palmetto Middle School family will maintain its efforts to overcome barriers that prohibit this process. We will continue to provide our students with continued support in every classroom, including related arts programs.

Palmetto Middle School has made many improvements within the 2013-2014 school year. Our campus is beautiful, welcoming, and is a student-centered environment that is conducive to learning. We have proven, that as a Palmetto Middle School Family, that our school is a great place to learn and we have worked diligently to ensure that all of our students are provided a safe, positive, and challenging environment.

A variety of parent and family activities also support the learning of our students at Palmetto Middle School. Families participate in MAP (Measures of Academic Progress) Night, Science/Social Studies Curriculum Night, Parent-Teacher Conferences, and ELA/Math Curriculum Night. An automatic calling system informs parents of events and meetings. Parents also have access to the school and district website for information and a grade level newsletter is sent home monthly. Areas of concern at Palmetto Middle School include student attendance, tardiness, reading and math levels, teacher retention, and the overall infrastructure for technology. In addition, the disproportionate number of special education and African American students who are achieving below grade level is also a factor that impedes student progress. Although, these issues are being addressed, they may have an adverse effect on future report card ratings. However, the Palmetto Middle School Family believes that our staff and students are capable of reaching our quest for EXCELLENCE, and we accept the challenge and prepare to celebrate our growth towards our goal, 'EXCELLENCE At Its BEST!' 'NO Excuses!'

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>48.2</b>
<b>Overall Grade Conversion</b>	<b>F</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

## Accountability Indicator (Title I Schools)

Palmetto Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
